Words To Live By . . .

Hey babe, what's up?

It works for me, if it works for you.

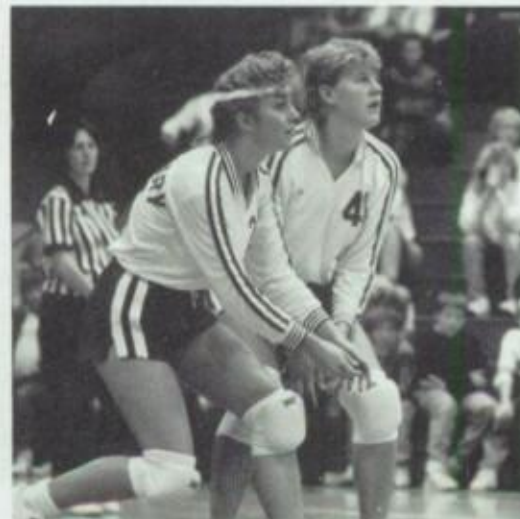

No doubt!

Why me?

Take a Chill Pill.

Go for it!

Make my day!

Are you a Redskin?

I bet!

You'll have that.

It will be alright in the morning!

I hate it when that happens.

What's going on?

Mr. Bruns announces the Academic Scholarship recipients.

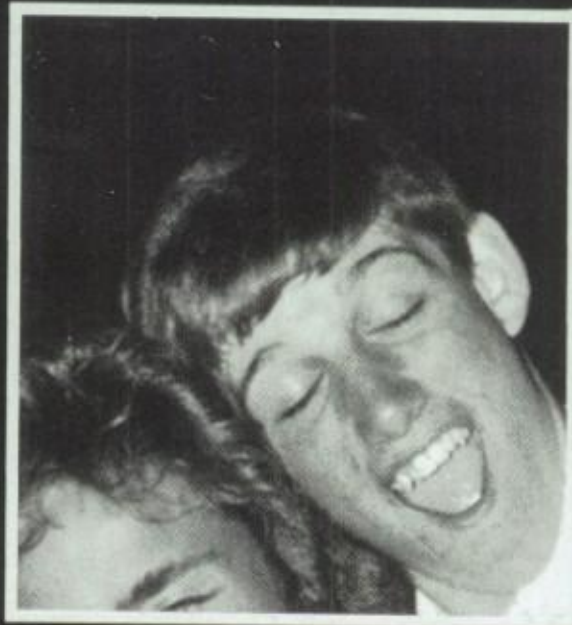

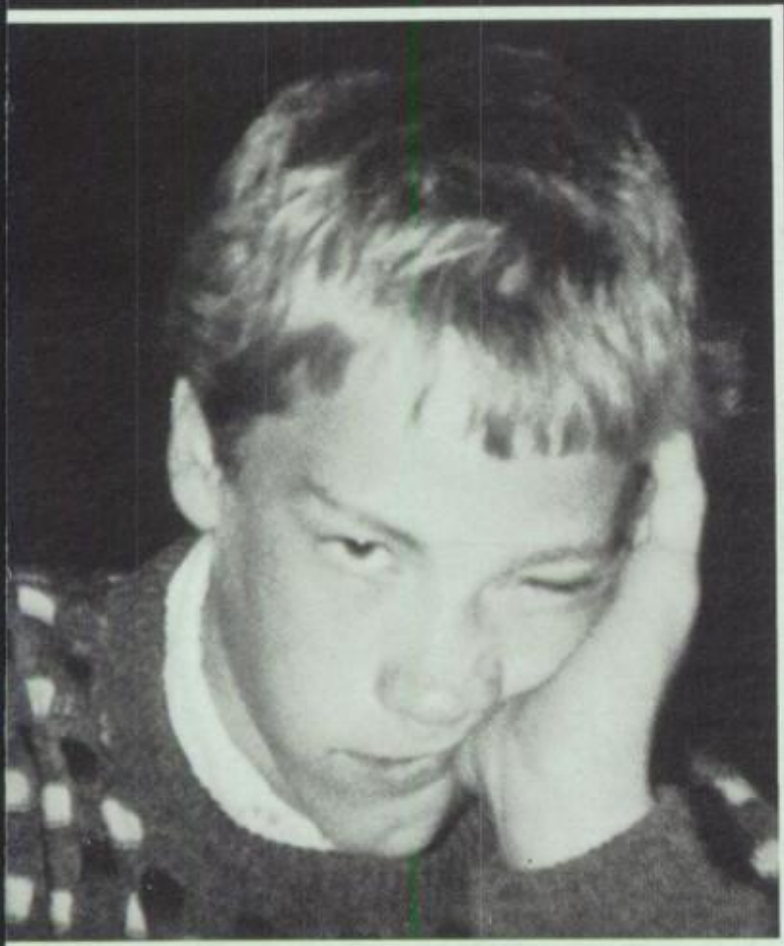

Mr. Condon speaks to the audience.

As we reach out our hand
The diploma we grasp.
While we think of the memories
Of the years in the past
Tears fill our eyes
Because it's all gone.
We're starting a new life.
We have to move on.
We hope friends will keep in touch
As the years pass us by.
Although it hurts inside
We'll try not to cry.
We think of kindergarten
And our first day.
Now we've reached the end
We are going away.
How do you say good-bye
To friends who mean so much?
Will there be time
To sincerely keep in touch?
You'll always have the memories
Of your school years from day one.
Don't think of school as ending —
Think a new life has begun.

GAMES WE PLAY

FOOTBALL

SKINS IN PLAYOFFS

The 1987 season was an up and down year for the Skins, but it was one that finished on a high note with the advancement into the State Play-Offs. Injuries to key people were a major factor as the team progressed through the year with a few mid-season losses. After the sixth game, things fell into place and the Skins ended up very strong. The seniors provided good leadership, led by the captains, and the underclassmen developed into steady players to make the football season a success.

The volleyball team had another successful year ending the season with a State Championship and a 30-0 record. Winning has become a tradition at St. Henry; therefore, people often forget how much has been accomplished. The girls worked very hard in finding a combination that worked well together as a team. They started the season with no returning starters and only two girls that dressed for tournament last year. However, these girls were no strangers to volleyball. In their volleyball career since the seventh grade, the seniors have had only one loss and at least one hundred thirty wins. As a total unit, they proved to everyone how good they really were with their 30-0 record and the championship!

Are you serious?!?

This was the second consecutive year for our boys' and girls' cross country teams since they were dropped in 1979. There were seven girls on the girls' team and the boys' team consisted of five runners, thus enabling them to compete as a team for the first time in nine years. The teams worked very hard from August to November. The workouts were vigorous and the meets were highly competitive. Despite all the hard work during the season, the teams, along with Coach Barlage, still managed to have fun and enjoy the season, which ended with Rick Keller finishing twenty-sixth at the regional meet in Troy.

The Lady Redskins played well in their first game, but lost to eventual regional runner-up Fort Recovery. Even with the loss of seniors **Terry Franck, Jane Post, Deb Balster, and Lynn Fortkamp**, the team is planning on an even stronger season next year.

Both the **J.V. and Varsity** basketball teams had outstanding seasons. The **Varsity** team was MAC and Sectional Champs. Even though the first five games were difficult, the team worked together and won them all. A highlight of the season was defeating defending Class A State Champs Fort Loramie. Also, the win over Delphos St. John gave us the MAC crown. The players and coaches all worked very hard before and during the season to make it very successful. The **Junior Varsity** team had only four sophomores and eight freshmen. The season was a real challenge because the guys often had to compete against older opponents. The team worked hard to accomplish goals, and through their hard work, they were fortunate enough to go undefeated. Also, an addition to the basketball program here was the ninth grade team. A former Redskin player, Kevin Koesters, coached the team to a successful season and assisted Coach Summers with the Junior Varsity squad.

The 1988 track season was one in which a lot of young athletes gained valuable experience. With only five seniors on both teams, they were very inexperienced. The teams struggled early in the season, but as the year progressed, many of the younger participants gained confidence in themselves and began performing much better. If their improvement can carry into the 1989 season, good things can happen for St. Henry Track.

Isn't that uncomfortable, Colleen?

The Rockettes of St. Henry.

The football cheerleaders began getting ready for the fall sports season this summer. Several girls went to camp at Bluffton where they won many awards. During August they spent many hours learning the cheers. They also provided the football team with watermelon during one of the team's practices. During the school year the cheerleaders work very hard to motivate the student body.

4. "Very cooperative and enjoyable to be associated with them."

5. "There are so many wonderful people in this senior class. I'll remember the girls who have served as officers in FHA over the years, and the boys who were the first charter members of the FHA Chapter. I'll also remember this as the class who holds the record for the most broken needles in beginning sewing. God bless all the seniors."

2. "Many fine young people have much talent — academically as well as athletically and socially. They will become quite successful. Most of the boys know how to be a gentleman and have proved it. Most of the girls enjoyed working on class projects — there's quite a bit of talent among them."
5. "The class is cooperative and cheerful. They can laugh, but when it comes time to getting the work finished, they do it. Many individuals are outstanding and are willing to help others."
6. "Outstanding feature is the diversity and acceptance of diversity of this class. It took them a long time to find a 'leader.' There are a lot of individuals and a lot of groupies in this class. Although sometimes frustrating to teach, the individualists make a classroom interesting."

The St. Henry Art Club remain busy this past year and held several meetings. The biggest event for the club was preparing for the art show. At the art show the club raffled off five stenciled T-shirts, a wooden plaque, a stole painted by Mrs. Bey, and a sterling silver heart-shaped necklace made by Beth Schmitz. Demonstrations by the students were also shown at the art show such as: stenciling, fiber-coiled basketry, working with clay, jewelry making, and painting.

The art club also planned a field trip in the summer to go to Capulita and the Dayton Art Institute.

Exchange Students Visit St. Henry

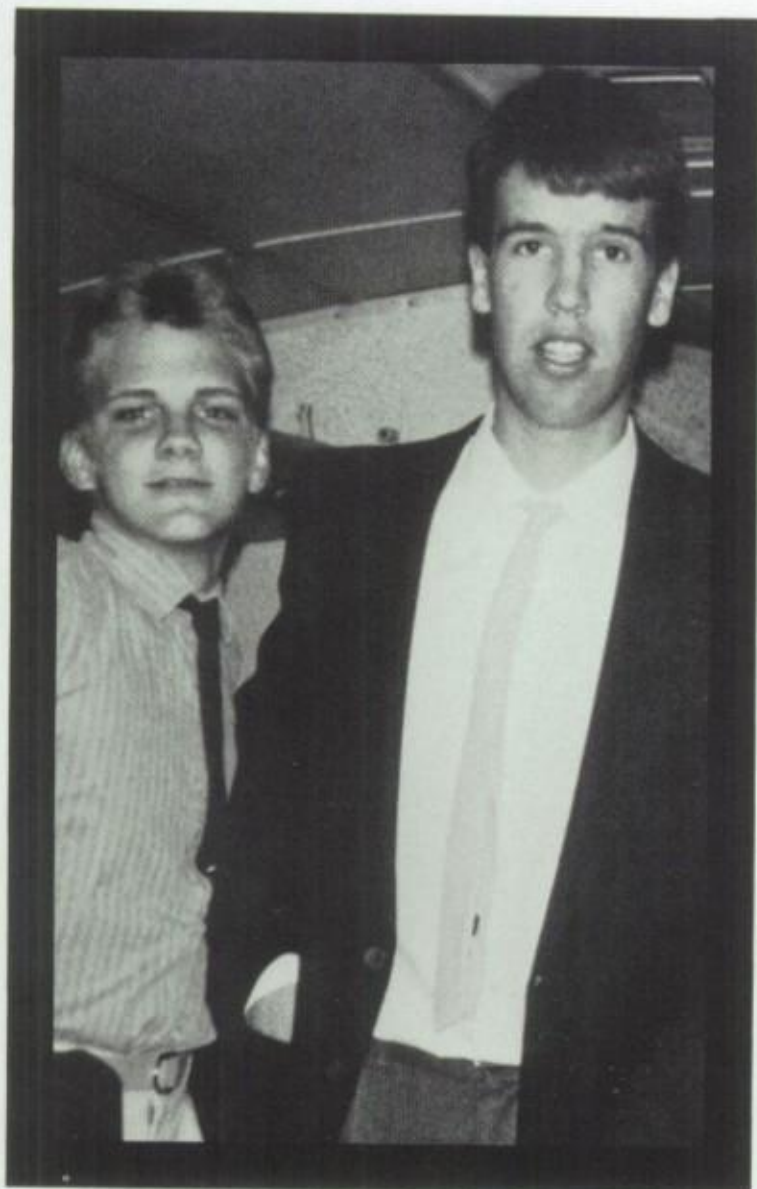

Veronique Allamand and Oriol Francas

Veronique

I am from Frejus, a dynamic city on the French Riviera. When I came to St. Henry in August, I couldn't believe how small the town was. Everyone knows everyone and if you do something, the entire town will know it. You can hardly have any personal life or "intimacy." I really liked the friendship. Even if people don't know you, they'll say, "Hi!" to you. In general, St. Henry is a really nice town where I've enjoyed living.

I really like the fact that school stops at 3:15. In France, we have classes until 6 p.m. sometimes. Also, all the teachers are really friendly, and the relationships are really nice with the students.

I traveled to a baseball game, Indianapolis, and Florida. I really liked Halloween-something we don't have in France-it was so funny. When I first came to St. Henry and realized how small it was, I thought it would be boring, but I was wrong. I met so many different people, learned so much, and I had the opportunity to make some good friends. I'm glad I decided to stay (I was so homesick first!) and I will never forget my year in St. Henry. I will go back to France and will bring with me souvenirs, laughs, and I wish I can come back to St. Henry one day.

Oriol

I am from Barcelona, Spain. I liked the peace of the town of St. Henry and the fact that you know everybody. I dislike that you need a car to do almost everything. Also, there's not much to do at St. Henry.

In your school, I liked that the academics are easier than in my old school. It was a shock to me that you had to call the teachers by "Mr." or "Mrs." and that you HAD to go to all the classes.

I enjoyed participating in school sports. Also, I liked meeting all kinds of people and discovering what they feel and act. It was nice to learn about a different culture.

It sure was nice to be an exchange student in St. Henry. At first it looked boring, but you taught me the way to enjoy it. I really had a great year, and I learned a lot about another way of life.

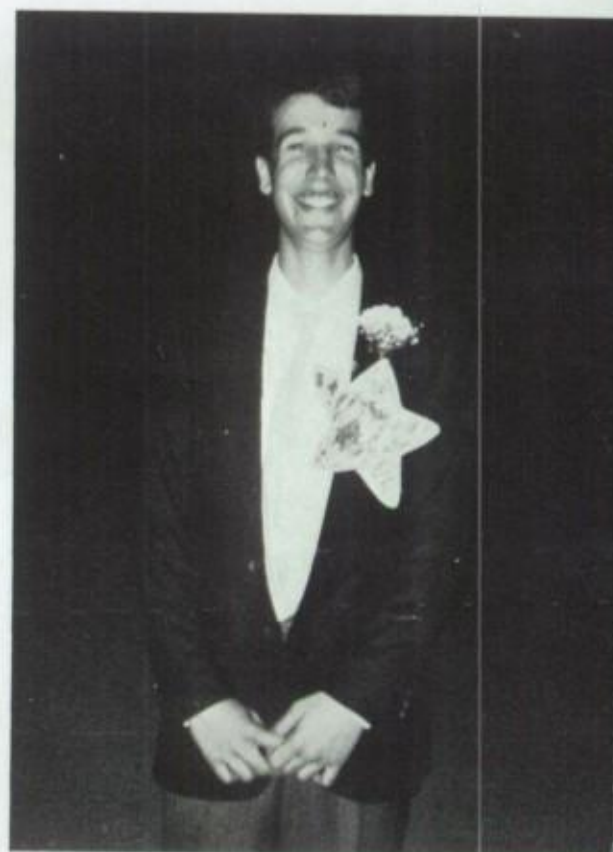

There were three Germans who stayed with students from St. Henry for one month during the spring: **Ina von Specht** (Stacy Reier), **Ilona Linkenbach** (Sharon Rutschilling), and **Christina Heinzmann** (Doris Schroer).

What's Cookin' Vicki!?

This past year the Future Homemakers of America, headed by Mrs. Kimala Hopewell-Post, was very active and successful. The 57 members met monthly in the Home Ec. Department for chapter meetings. The club conducted a paper drive every other month, and in November they sold candy. Last summer they participated in the Versailles Poultry Days, a picnic at Pine Lake, the State Bake-Off Contest, and Leadership Camp.

In March, the members competed in the State Skill Event Competition at Ohio Hi-Point J.V.S. Kelly Bruns placed first in Job Application and Interview. First prize also went to Connie May in Chapter Activity Manual. Second place went to Angie Bruns and Judy Kunkler in Home Economics Team Demonstration. FTA

With 36 members, FTA was greatly appreciated by the faculty. During their free time, these members helped both teachers and students. The two advisors of FTA were Ms. Betty Provci and Mrs. Nancy Mueller. As an award to the members of FTA, a banquet was held at Hollisters Restaurant with a guest speaker, Brian Beckett.

You've got to be kidding me?

PUCKER UP!!

The St. Henry German Club, advised by Mrs. Linda Schwegman, had 60 members. The club held bi-monthly meetings. Their money raising projects included cake raffles, coat check at the basketball games, and bake sales. This year was the first time the German club sold posters. Christmas was a very busy time for the German Club. They held their annual Kris Kringle exchange, and the German II class prepared a Christmas Dinner. The club also went to Winterfest at Kings Island, stopping to enjoy a meal at Black Forest Restaurant along the way. In May, they had hamburger barbecue. Each member brought a carry-in dish. The group also had a private party at Lake Front Racquet Club, and participated in the 1987 Sesquicentennial.

The Office Education Association of St. Henry High School is a Tri Star Career Compact organization that includes members from Fort Recovery and Marion Local High Schools.

The chapter was one of only 40 to earn the National Banner Award for outstanding overall programs. The chapter also earned national awards for activities involving safety, service, Special Olympics, and membership promotion.

Fifteen of the eighteen members placed in regional competition. Margie Guggenbiller then won fifth in the state for club yearbooks and Sarah Kunkler was third in the state and tenth in national competition in employment skills competition.

The St. Henry High School SADD Chapter had a successful second year. Meetings were held after school and at noon at various times during the school year. The SADD Chapter had guest speakers from the Mercer County Alcohol and Drug Abuse Center in to talk about self esteem. The club sold SADD keychains as a fund raiser. Throughout the whole year members promoted the SADD motto of "Friends Don't Let Friends Drive Drunk" by putting up posters and reading announcements in school.

STUDENT

The Student Council, affiliated with the Ohio Association of Student Councils, was busy as usual this past year. Advised by Mrs. Joyce Muhlenkamp, meetings were held the second Tuesday of each month before school started. At these meetings, the council discussed and planned upcoming assemblies and school activities, including TV2 Food For Friends and collecting aluminum cans, part of Ohio Recycling Program. They also held spirit days, sponsored the Fall Homecoming Dance, and co-sponsored the Winter Homecoming Dance. A new project for the Student Council this year was a free throw contest during halftime of the varsity game. To finish off the school year, the Council had a year end banquet for its members.

In My Dreams

Homecoming Dance 1987

Mr. Condon, honest we're innocent.

Can't I do ANYTHING in private??

"Hocus-Pocus-Gala-rocus!"

"I know I'm irresistible!!!"

The 1987 Homecoming Dance was held in the high school gym on October 17, 1987. Z-Man Productions provided the music. The theme was "In My Dreams" by REO Speedwagon. The Student Council, under the guidance of Mrs. Joyce Muhlenkamp, worked very hard decorating and planning the Homecoming events. The dance this year was successful because of the record attendance and the organized planning of the Student Council.

What can these two be up to now?

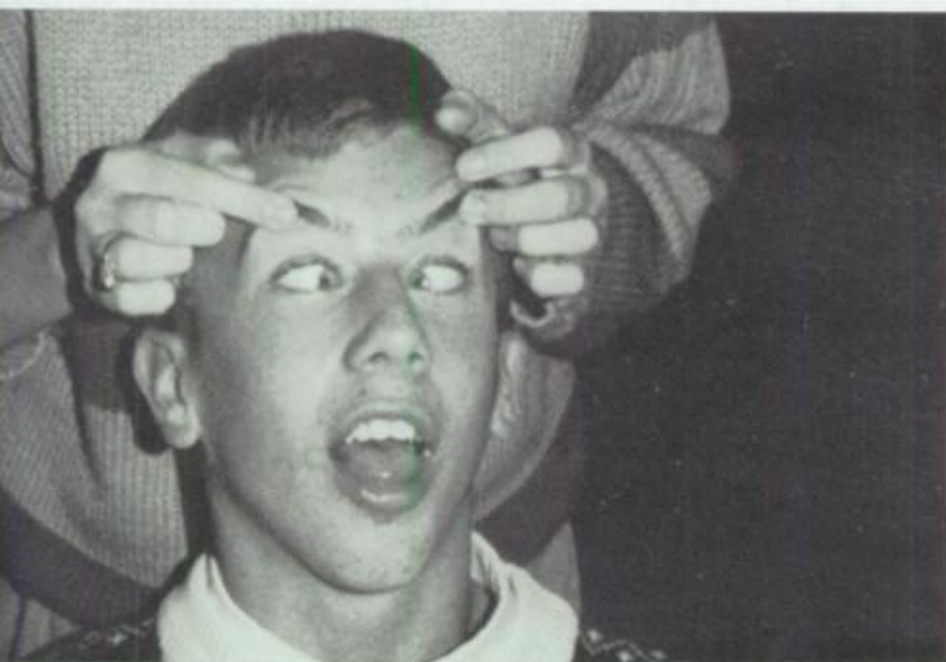

"M&M's melt in your mouth-not in your hands!"

Can't you girls find your dates?

Josh, you little devil!!

Jeff, can't you stay awake by YOURSELF?

"I'll pay anybody three bucks to get this guy away from me!!"

"You taka my picture, I breaka your face!"

The Three Musketeers!

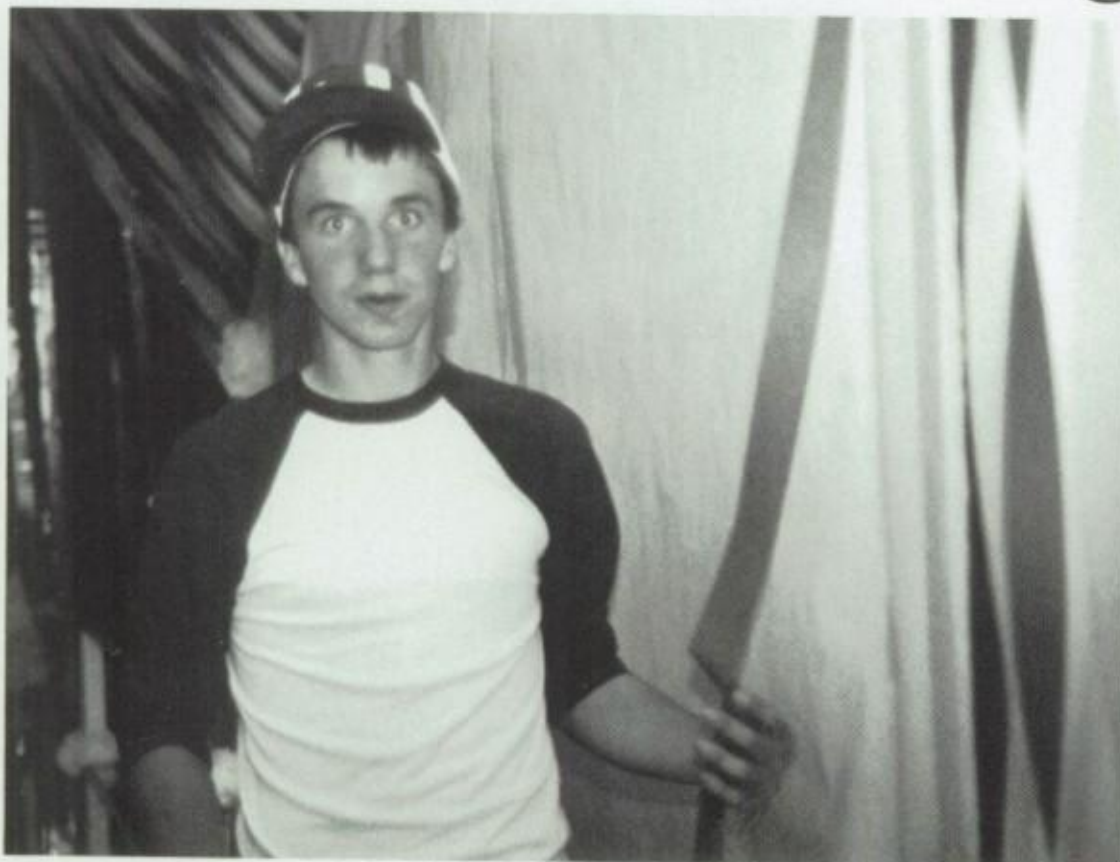

Crazy Senior girls!

A Winter Homecoming was held this year in place of the Sweetheart's Dance. Male candidates were chosen from each class. Ron Clune was chosen as king, and he was crowned at the girls' basketball game on Thursday, January 21. The dance was held on January 23, in the high school gym. The theme was "Heaven Is A Place on Earth". The cheerleaders, Student Council, and their respective advisors planned the events.

Julie's true feelings about yearbook camp?!?

Johnny Cool!!!!

In one ear and out the other . . .

... From The Editors

We, the editors, would like to take some time to thank everyone who has helped us in preparing this yearbook. Much hard work and time has been put into this book, but it never would have been possible without the help of many individuals. Our final two pages are dedicated to those people. Thanks so much for all of your help — we hope we haven't forgotten anyone.

Julie Lange, Beth Uhlenhuth, Holly Laus
Thanks . . .

MRS. LEIST — for helping with everything and for not yelling at us when we missed a deadline.

MRS. BERTKE — for letting us bug her on picture days.

MR. CONDON — for granting all of our requests.

MIKE LAMM, DON SPECK, & MIKE BUETTNER — for providing us with the negatives that we needed to complete the sports sections.

THE TEACHERS — for completing the endless questionnaires and for cooperating with us on picture days.
